

MSAD #8 School Board Special Meeting
June 8, 2016
Middle School Science Room
Minutes

1. The Special Board meeting of the Vinalhaven School Board was called to order at 6:30 in the middle school science room by Chairperson Renee Jones with board members Kathi Young, Rachel Noyes, and Bruce Phillip along with Supt. Bruce Mailloux and 12 members of the community in attendance.

2. The parent requesting the meeting expressed her concern about the process for determining the senior class valedictorian and salutatorian. The current practice has been to make that determination on the basis of the class rank at the end of the first semester of the senior year. It was felt by most in attendance that the determination should be made later in the school year, maybe at the end of the third quarter. This is a change the Board will be working on for next year. Most in attendance felt that this is a change that needs to be made but also agreed it is a change that cannot at this time. No action was taken.

3. With no further business and upon a motion by Bruce Phillip, seconded by Kathi Young, the Board voted to adjourn.

Respectfully submitted

Bruce Mailloux
