

CRISIS RESPONSE PLAN

The School Board hereby adopts the Vinalhaven School Crisis Response Plan. The Superintendent and building administrators shall be responsible for ensuring that the plan is implemented in each school. The plan will be evaluated on an annual basis during the annual review of the student parent handbook and after each incident where the plan is used. It is understood that specific procedures may vary from school to school due to differences in school facilities and the ages of students.

As required by law, the Board will approve the plan annually. Any substantive changes in the plan shall be subject to the approval of the Board.
